[科目の概要]  <p>This course aims to improve students' proficiency in practical English, especially in reading and writing. The course will help students to understand grammar rules, increase their vocabulary, check their comprehension, as well as the opportunity to exchange their ideas and views. Students will participate in pair and group activities aimed at developing and fostering these skills during the course of the module. Furthermore, they will be able to enhance their intercultural skills and understanding, in an increasingly interconnected world.</p>		
[[授業科目群]・他の科目との関連付け]・[なぜ、学ぶ必要があるか・学んだことが、何に結びつくか]  <p>Nowadays, in our globalized world, the demand for general communication skills in English is greater than ever. These skills are playing an increasingly important role in not only daily life but also various business environments. The module will help students grow and apply these skills as required in communication and comprehension.</p>		
[科目の到達目標(最終目標・中間目標)]  <p>The emphasis of this course is on providing students with the skills to communicate effectively in English in a variety of social and business situations. During the class, students will undertake specific activities aimed at building their skills and confidence in the target language. By the end of the semester, students will have improved their proficiency and confidence in the use of the English language.</p>
