[科目の概要] <p>This course is designed for students who need to improve their understanding of the fundamentals of English grammar. In each class, students will learn grammatical key points in passages about a familiar topic. Compositions, reading comprehension exercises, etc. will be employed to engage students in using the communicative grammar they have learned. Through interactive activities in the class, the knowledge of grammatical use and usage will be gradually acquired.</p>		
[「授業科目群」・他の科目との関連付け]・[なぜ、学ぶ必要があるか・学んだことが、何に結びつくか] <p>It is important for English learners to master basic rules for grammar perfectly and to have a lot of opportunities for practicing their skills. With grammatical knowledge, students can achieve a better understanding of both spoken and written English. Established grammatical usage enables one to communicate with people around the world effectively. In these senses, grammar is an essential building block for improving their English. Students may also find themselves interested in distinctive linguistic features, such as sentence structures in English and Japanese.</p>
