[科目の概要]			
<p>During this course, students will be able to learn and acquire many skills to be a good reader such as skimming, scanning, and inferring. Additionally, this course is designed to meet the needs and interest of Japanese university students who are going to start their job hunting. All passages in every unit have been written about popular and famous Japanese companies and their products, state-of-the-art technologies, and philosophies. Students will learn plenty of vocabulary and knowledge about Japanese famous enterprises and trends in business through this course.</p>			
[「授業科目群」・他の科目との関連付け]・[なぜ、学ぶ必要があるか・学んだことが、何に結びつくか]			
<p>It is safe to say that reading is the most important part of studying English. Improving your reading skills can also help you improve your general skills in English. Especially for APU students, it is necessary to read English materials relating to their major, such as managements, economics, and regional studies. Students will learn some global famous enterprises and technologies through this course and the knowledge will help them when they start their job-hunting process. Although this is a reading course, students practice their listening and analytical skills as they progress through this course.</p>			
[科目の到達目標(最終目標・中間目標)]			
<p>At the end of this course, students should be able to understand an enjoyable way to develop reading skills as well as other language skills. Moreover, students will be able to acquire many business-related vocabularies and consolidate them with their existing knowledge.</p>			
[学生の「授業評価」に基づくコメント・改善・工夫]			
<p>The various components of this course will be introduced, based on the student's progress in class.</p>
