〔科目の概要〕 This course helps students to further improve in writing skills. Students are expected to write as many correct English sentences as they can on familiar topics. In each class, they will learn many practical words and phrases through the model sentences in the text. Exercises in composition will also help them. Then they will be required to write about their daily lives. Interactive activities, both among students and between teacher and students, will often be encouraged.							
〔「授業科目群」・他の科目との関連付け〕・〔なぜ、学ぶ必要があるか・学んだことが、何に結びつくか〕 For better communication in an international society, it is a great advantage to develop clear English writing skills. With the successful use of these skills, students can make themselves understood in written English. Practice in writing skills also encourages the well-balanced development of students' English ability. In-class activities will prepare students for writing in various situations, helping to make them more confident of their writing skills.							
〔科目の到達目標〕 Students are expected to be able: 1. to increase vocabulary 2. to use correct English to make themselves understood more clearly 3. to write about themselves more fluently.
